

## ADULT FORUM

One of the most famous parts of Matthew's gospel is Jesus' Sermon on the Mount (Matthew 5-7), a collection of memorable and challenging teachings on the topic of discipleship. Jesus is the new teacher who inspires a new way of viewing daily life, ethics, and the kingdom God is bringing forth. Like all good teachers, Jesus is often challenging and always sends us home with something more to think about. Starting January 9, come climb the mount of wisdom with us. Bring your favorite Bible and we'll go verse by verse. The Adult Forum meets on Sunday mornings at 9:45 in the fellowship hall. Childcare is always provided through our excellent Sunday School and nursery.

## HOMELESSNESS RESPONSE

As a follow-up to this fall's Adult Forum class, we're continuing to explore the concrete actions our congregation can take to address homelessness. We plan to meet once more with Paul Schroeder, Faith-Based Services Coordinator of JOIN: Connecting the Street to a Home ([www.joinpdx.com](http://www.joinpdx.com)) to learn how congregations are offering social events and group-building experiences to support people who are transitioning from the street into housing. The meeting will take place on Wednesday, January 12, at 6:30 pm.
