

SOUPER BOWL OF CARING

First Immanuel Youth invite you to help tackle hunger on February 5 by contributing to the *Souper Bowl of Caring*. On Super Bowl Sunday, churches around the country receive donations to support local ministries to people in need. Imagine the difference it could make if millions of people around the country gave a dollar (or more) to stop hunger! You can be part of the *Souper Bowl of Caring* on February 5. Look for the First Immanuel youth with the big soup pot, and help tackle hunger! All money received will be given to the NW Portland Ministries Food Pantry to feed hungry neighbors in our Northwest neighborhood.
