

GUEST CHORAL DIRECTOR

Thanks to a special partnership with the American Choral Directors Association, the FILC choir has been given the opportunity to work with Mark Hayes, one of the most well-known and prolific composers of contemporary sacred music.

Mr. Hayes will rehearse and direct our choir in three of his pieces at the Sunday worship service on January 29, 2012.

Hayes' vocal and instrumental writing is widely acclaimed and performed across the nation. He is well-known for his unique choral settings drawn from such diverse styles as gospel, jazz, folk and classical to achieve a truly "American sound."

Please join us on January 29—this really is a "once-in-a-lifetime" opportunity for our choir and our congregation!
