

**Prayer Shawls.** The women of First Immanuel have a lively ministry creating handmade prayer shawls which are beautiful, cozy, and prayerfully crafted to be signs of God's healing touch in times of illness or struggle. Each shawl has been blessed, asking that God will use it to comfort and strengthen the person who receives it. At this time there is an abundance of shawls ready to be delivered to someone who may need such comfort. If you or a close friend would like to receive a prayer shawl, please contact Rita Gocken (503-667-8408, [rgocken@comcast.net](mailto:rgocken@comcast.net) ). God bless you.
